

## OUTDOOR KITCHENS- DESIGNED FOR PERFECTION

SKOL Outdoor Kitchens bring your outdoor living space to life. At SKOL, we believe outdoor kitchens are an investment in quality, durability, and timeless elegance. Designed for discerning homeowners, our kitchens are crafted to deliver unmatched performance and beauty, creating lasting memories in every outdoor space.

Our partnership with Laminam exemplifies this commitment to excellence. As a global leader in advanced surface technology, Laminam provides the perfect foundation for our exceptional outdoor kitchens.

“The entire kitchen is constructed from two premium materials that ensure its outstanding quality and appearance: a 304 stainless steel frame and sintered stone cladding.”

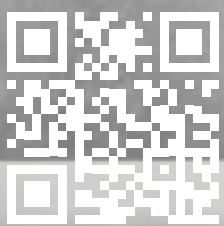

“Available in a variety of sizes ranging from 11 to 32 inches. Offers a range of shapes and configurations to suit your needs.”

“Elegant sintered stone cladding for the kitchen’s front panels. Available in multiple color options from the I Naturali collection by Laminam. Combines modern aesthetics with long-lasting outdoor resilience.”
